

## **Penticton Lawn Bowling Club's Covid-19 Statement**

Well, after many meetings and hours of hard work, the Penticton Lawn Bowling Executive are very happy to announce that, as of June 16,2020, the club is open for bowling.

As every one knows, the Covid -19 pandemic has been very hard on the entire world. We are deeply saddened by the number of people who have fallen ill and/or died due to this terrible virus and cannot imagine the depth of their grief.

In this regard, the Executive of the Penticton Lawn Bowling Club want to say that the health, safety and well being of our membership is paramount.

In order to ensure that the members who visit our facility will be safe, we have drawn up a set of rules, as prescribed by the province's health experts and our governing body, Bowls BC. Please refer to the Phase 1 Return to Play Guidelines for the details.

If you have any questions please go to the contact page for e-mailing purposes, or you can phone any of the listed executives.

**Thank You and See You on the Greens**
